Respected Sir,

Our student satellite team from K. J. Somaiya Institute of Engineering and Information Technology, Mumbai is participating in the PS4 Orbital Platform program of ISRO.

We have prepared a detailed proposal for PS4 Orbital Platform program along with the CAD designs and models. The last date of submission is **31 December, 2019**.

We enquired with various private postal services as well as India Post, but they all denied to deliver at the Bangalore Headquarter address due to unavailability of their service at this location.:

**Director,  
Space Infrastructure Programme Office ISRO HQ,  
Antariksh Bhavan, New BEL Road,  
Bangalore-560 231**

Please guide us on how to proceed with the proposal.

Attached herewith are:

1. Announcement of Opportunities Document of ISRO.
2. ISRO PS-4 Orbital Platform **Proposal**
3. PCB Schematics
4. CAD Files and Drawing Sheets
5. Supporting Documents

Thanking You in anticipation,

Yours Sincerely,

Supriya Bhide.

Student Satellite Team,

K. J. Somaiya Institute of Engineering  
and Information Technology, Mumbai.
